Peer Funder Learning Series for Health Care Foundations & Funders
*What’s Next for Health Care Reform in New Mexico?*
Wednesday, November 8, 2017
10:00 am to 1:00 pm

The New Mexico Association of Grantmakers and Con Alma Health Foundation invite you to join your funder peers for an informal discussion and networking lunch on Wednesday, November 8 from 10 am to 1 pm at Con Alma Health Foundation, 144 Park Ave, Santa Fe, NM*.

We will examine what's next for the future of the Affordable Care Act and the potential impact in New Mexico on health equity, access and costs. We will also look into the future of Medicaid and the Children’s Health Insurance Program for low income New Mexican families and children. How will these changes impact our philanthropic work? How can we move forward on health care and health equity in New Mexico?

**GUEST PRESENTER AND LEAD DISCUSSANT**

George Isham, M.D., M.S.

*Senior Advisor, HealthPartners and Senior Fellow, HealthPartners Institute, Bloomington, Minnesota*

*Co-Chair, Roundtable on Population Health Improvement, National Academy of Sciences, Washington, DC.*
